We Are

**Leading Supplier
And Exporter**

A Heritage of Quality

Mission Statement:

Our mission is to provide the world with the finest quality, sustainably grown bananas, while supporting local farmers and promoting ethical trade practices.

Our Story:

Savor Farmhs is rooted in a rich tradition of banana cultivation, dating back generations. Driven by a passion for quality and sustainability, we've grown into a leading exporter of premium bananas.

Values

- 1. Integrity:** Honest and ethical in all business dealings.
- 2. Quality:** Committed to the finest, sustainably grown bananas.
- 3. Sustainability:** Prioritize eco-friendly practices.
- 4. Innovation:** Continuously seeking improvements.
- 5. Community:** Supporting local communities and fostering positive relationships.
- 6. Fair Trade:** Ensuring fair compensation for farmers and workers.

G9 Cavendish Bananas: Nature's Perfection.

Our G9 Cavendish bananas are renowned for their exceptional taste, texture, and nutritional value. They are carefully cultivated in fertile Indian soil, specifically in the regions of Solapur, Jalgaon (Maharashtra), and Andhra Pradesh. These areas provide optimal growing conditions for bananas, ensuring they reach their full size and develop their unique flavor.
