

Royal Gala & Red Delicious

Premium Imported Apple Varieties | Turkey & Iran

SAVOR FARMHS

FRESH | AUTHENTIC | GLOBAL

A Heritage of
Agricultural Quality

Quality & Integrity

Sourcing only the finest, sustainably grown fruit from high-altitude orchards, backed by honest and ethical global supplier networks.

Advanced Cold Chain

Precise, continuous temperature management from the moment of harvest to final delivery, preserving crispness and vital nutritional value.

Global Compliance

Uncompromising adherence to rigorous food safety and phytosanitary certifications, including HACCP, GlobalGAP, and regional import standards.

Bridging international markets with the finest crops of the world.

Royal Gala:

Sensory Brilliance & Retail Appeal

Honey Sweet:
Distinct, lingering natural sweetness.

Juicy:
High moisture, refreshing flesh.

Appearance:
Vibrant red-yellow gradient skin.

Retail Choice:
Exceptional eating quality for fresh consumption.

Turkey Origin
Honey-sweet flavour with a prominent red-yellow gradient. Highly favoured for fresh fruit baskets and premium retail displays.

Iran Origin
Classic striped skin pattern. Exceptionally high flesh density and uniformity in size, ensuring excellent commercial pack-out rates.

Red Delicious:

Deep Crimson Classics & Durability

Crunchy:
Solid, crisp structure with mild sweetness.

Long Shelf Life:
Thick skin ensures high resistance to bruising.

Iconic Shape:
Recognisable five-pointed bottom crown.

Logistics Friendly:
Retains a firm bite over extended storage and long-distance transport.

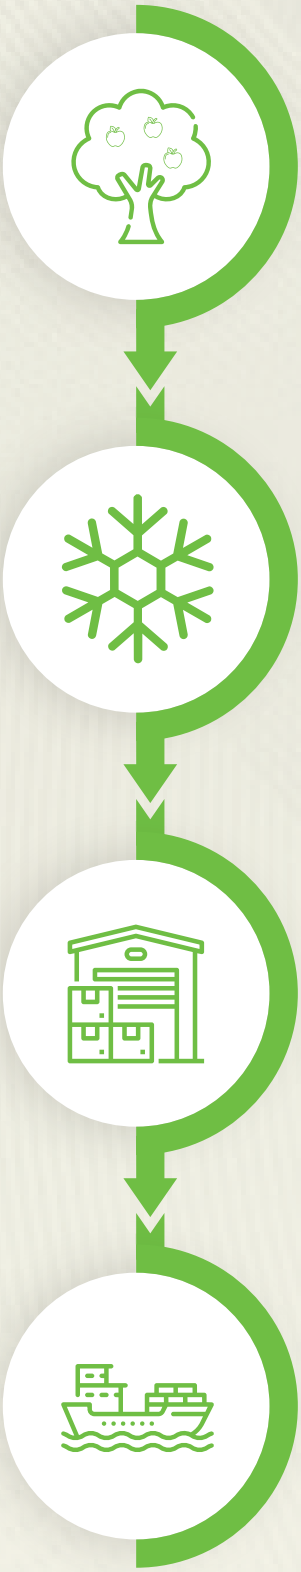

Turkey (Starking) Origin
Bright, vivid uniform red. The most celebrated Turkish variety, offering a solid, refreshing crunch.

Iran Origin
Intensely deep, dark red skin with a polished finish. Low-acid flesh offering a mild, pleasing sweetness with exceptional long-term storage capability.

Standardised Trade & Quality Parameters

	Royal Gala	Red Delicious
Size & Counts	65-80 mm (70-125 count)	65-85 mm (70-135 count)
